Stars	Wishes
Brown bags at coat check (bracelets for next year instead of tickets?)	Have bags donated from Meijer and get them for free
New DJ	
Spirit week participation	Easier spirit days/get more people on board
White out	
Wall decorating	
	Something to drink at dance (sell small 8oz bottles of water?)
	Spotlights? (no gym lights on-too bright)
	Organization at lunch- separate guest passes and have them alphabetized Need people to come on time for each lunch so the previous lunch doesn't miss class
	Go until 10 instead of calling people to get their bags early
	Improve voting- didn't work for some people
Better check-in	
	Guest passes- make it so that the guest has to come in with the person bringing them. Also have someone designated to check for new approved passes every day
